Tips n Hints

Here's one of my favourite: [Transform Your Interior](#).

Thought this would be appropriate to include with our forthcoming Art Rental Service to be fully operational by October. We are already taking appointments and providing quotes as we are in the final stages of putting together the necessary documentation to support this new initiative. What's On

'Perfect Beauty' Exhibition (8 August - 7 September) including a new member of Interactive Arts, Carol Scott. Carol's art has been described as having a mature, natural style that flows throughout the image particularly in her figures. "My interest is in the human form rather than landscapes or other genre. I enjoy creating my own interpretation of a figure. I enjoy this challenge", said Ms Scott.

A selection of these will be exhibited for sale during a group exhibition 'Perfect Beauty' at Lumiere Gallery, 10 Station Street, Cottesloe from 8 August including artists Liz Gray and Sim Campbell-Pope <http://www.lumieregallery.com.au/>
